*“Rest not! Life is sweeping by; go and dare before you die.  
Something mighty and sublime, leave behind to conquer time.”*  
(Goethe)

**W**hen your time on earth has expired what will you leave behind? How will you be remembered?

Imagine a group of children, of all shapes and sizes, filled with joy, being transformed by the wonders of nature. Hear the laughter of new friends sitting around a crackling bonfire, sharing thoughts, hearing stories, praying, being infused with the core relational values that will remain a part of them *forever*: courage, teamwork, self control, faith, respect, and moderation

*What better image to have in mind when planning to how bequeath your belongings.*

Every \$5,000 portion bequeathed to The Camp-aign for American Kids will enable 50 children to participate in one of the many *Faith and Values* oriented camps (**FVPs**) operating throughout America. A \$10,000 bequest will help empower 100 children, *permanently* inscribing the values of integrity and determination deep within their hearts. A \$25,000 bequest will help guarantee that 250 children will be mentally and emotionally stronger, and better prepared to deal with the increasingly overwhelming pressures of this life ... all because of your thoughtful bequest.
